

# ELECTRICAL

**PRODUCT CODE:**  
**CAT5DSL128PR**

## CATEGORY 5 DSL 128 PAIR CABLE

Delta Cables 128 Pair backbone cable is suitable for high-speed carrier-grade access where Ethernet (100Mbit/s), TPPMD, ATM (155Mbit/s) and Gigabit Ethernet (1000Mbit/s) protocols are adapted, in particular Digital Subscriber Line (DSL) networks.

### Standards:

IEC 11801:2002 and IEC  
ANSI/TIA/EIA-568B  
AS/ACIF S008:2006

### Specifications:

**Conductor:** 1x0.50mm (24AWG) Plain Annealed Copper Conductor  
**Insulation Material:** HDPE Insulated and PVC Sheathed  
**Pairs:** 128 (4 bundles of 32 pairs with colour coding)  
**Pair Bundle Colours:** White / Blue / Yellow / Brown / Black / Red / Green / Violet  
**Sheath Colour:** Cream  
**Overall Diameter:** 28mm  
**Approximate Weight:** 7.2 kg/m

### Packaging:

**Packaging Type:** Wooden Drum (250 metres)  
**Jacket Printing:** DELTA CABLES  
N24205  
CAT5DSL128PR  
Category 5 DSL 128 Pair Cable  
Verified to TIA/EIA-568-B.2 & ISO/IEC11801:2002  
compliant
